

Sinclair uses PUBLIC  
airwaves free of  
charge...  
Supossedly to serve  
the PUBLIC...  
The FCC is charged  
with monitoring the  
same...  
Even a Powell should  
understand this.  
Either require  
Sinclair to air a  
pro-Kerry program  
after the disputed  
film...or order them  
to not air it at  
all.
